

Western Regional Chapter American Coach Association Colorado Gold Rush Rally Sept 22-26, 2022

Join us in Montrose Colorado for this gold rush. Montrose is located in the South-Central part of the state at the base of the San Juan Mountain range. The San Juan's are considered by many, the most beautiful part of the state. At this time of year, the aspen leaves are in full color, adding to the beauty and GOLD in the area. This rally is built to allow plenty of time for everyone to get out and see the sights that this part of Colorado has to offer. The area is known for its four-wheel drive trails and high mountain passes. If you have a four-wheel drive you can access several old mines and ghost towns.

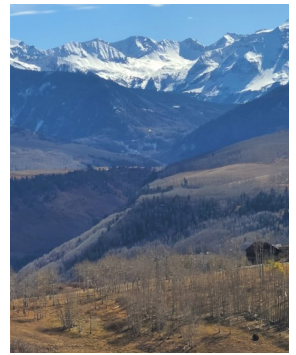

Sight seeing opportunities for all; Ridgeway (location where John Wayne filmed True Grit), Ouray (Switzerland of America), Telluride (a gold and silver town), Silverton (another mining town), and Black Canyon of the Gunnison National Park. Other activities include wineries, antique shops and museums.

To make reservations contact the Meadows of San Juan at 970-249-6382. Make sure to tell them you are with the American Coach Association Western Regional Chapter. There are 20 sites reserved for this rally, any unused site by August 31, 2022 will be turned back to the RV park. The cost of the RV sites is \$45 per night plus taxes. - ◆ **We understand that the rally fees for this is on the higher side; the fees include an indoor facility with a kitchen and two meals-heavy appetizers, and a dinner. The most expensive part is the rental of the facility. At this time of year the weather can be nice, highs in the 70 but at night it can cool down to the 30's. We can also get winter weather, so having an indoor facility is going to be nice. On the other hand the camp site cost are pretty low. We hope to see everyone there.**
